# Chapter 1 Introduction

This document outlines the classification codes used in:

- version 1.0 of AddressBase
- version 1.0 of AddressBase Plus
- version 1.0 of AddressBase Premium

Classifications are sourced from the Local Land and Property Gazetteers and from Ordnance Survey large-scale data.

The following chapters show the classification of address objects which are in the AddressBase products identifying the highest level for AddressBase – residential and commercial and four levels in the AddressBase Plus and AddressBase Premium products.

These can be as high-level as commercial property or as detailed as a youth hostel.

## Example of a detailed classification

C	Commercial	H	Hotel/Motel/ Boarding/ Guest House	01	Boarding/Guest House/ Bed And Breakfast/Youth Hostel	Object defined by local government contributing authority, includes: Commercial Lodging.	CH01YH	Youth Hostel
---	------------	---	--	----	--	--	--------	-----------------
